

CONSOLIDATED EXHIBITIONS REPORT – SPRING 2016

SCHEDULES - Lois Rose

As of this writing (May 3, 2016), I have approved 131 shows for the 2016 show season. I anticipate receipt of a few more approval requests for spring shows, in addition to the usual 2-3 fall shows, for an estimated total number of shows about the same as last year's 135.

SUPPLIES - Susan Boyce

For all of 2015 I received 68 orders and took in \$5414. So far this year (May 8th), I have received 69 orders and taken in \$6319 and I expect about another 10 orders. So the good news is that already this year, we are \$900 ahead of last year and still going up.

SHOW REPORTS – Susan Boyce

Since I took over this position, working with Capital Medals has been frustrating and a huge nightmare. Unreturned phone calls, promised information sent very late and incomplete, and poor customer service has delayed the order for medals several weeks. I have since looked into ordering the medals locally and found out that the AIS can save a very large amount of money by switching to another company. I am still gathering the details involved in switching companies so hopefully we can start saving money in 2017.
