

Judges Handbook Revision Committee
Report to the AIS Board of Directors
Spring, 2016, Newark, NJ
Betty Roberts, Chairman

I regret I will be unable to attend due to several commitments.

We have made some progress since I last reported; however, there are two large and important sections that have yet to name their committee members; consequently, I have no revisions for these groups at this time. I would really appreciate hearing from The Aril/Arilbred and Tall Bearded sections re. whether they plan on Handbook revisions or whether they choose to leave their chapters as they are. I also need to hear from the newest section, The Novelty Iris Society.

I understand the Board of Directors must approve Handbook changes once I submit them, but I'm not clear about whether I can submit chapters once they are ready, or whether I need to have the entire Handbook approved at one time. Please advise.
