

**2016 Photo Contest
Spring 2016
Janet Smith**

The 2016 Photo Contest will begin May 1st and think this will work out better for all who wish to participate.. We provided information via the AIS Website, Blog, and Facebook and hope for the best.

The 3 judges have been determined and are set in place.

The only problem we currently have is the new webmaster, Bob Seaman, will not answer any of my emails nor has he placed 2015 Photo Contest results on the AIS Website.

Discussion by the Board:

How can I resolve the problem with the webmaster to get items needed posted to the website. This also includes, calendar, photo contest form, digital program order form. So it is a problem all the way around for me.

Respectfully,
Janet Smith, Coordinator
