

**AIS INSURANCE
FALL 2017 REPORT**

Everything continues to run smoothly in obtaining certificates of insurance for various AIS sponsored events. For the year 8/31/16 to 8/31/17 I received a total of 51 copies of Certificates of Insurance that were issued for various events held during the year. This is a drop of 5 from last year which is really insignificant considering the amount of clubs we now have.

The premium for our general property/liability policy is approximately \$300.00 less than the 2016/2017 policy premium.

Other than the normal goings on throughout the year there is nothing to report.

Respectfully submitted,

Michelle Snyder
Insurance Chair
