

American Iris Society
Board of Directors
Fall, 2017, Dallas, Texas
Betty Roberts, Chair, Judges Handbook Revision Committee

We're getting there! I'm beginning to think that we'll see a revised edition of the judges handbook. The Tall Bearded Iris Society has submitted changes just recently. The Aril group submitted changes at the spring board meeting. Now we need to hear from the Novelty Iris Society ASAP and definitely before the end of the year.

I will ask a question which I've asked before but didn't get an answer. Does the Board want to see the entire document, or would you prefer to see a section at a time for review purposes? I would think that a section at a time (between Board meetings) would be desirable. This would offer a better opportunity to read and digest the contents of the chapters.

Thank you all very much for your patience with this project.
