

# **2017 Spring Board Meeting American Iris Society**

## **Report of General Counsel**

IRS Group Exemption for the AIS. In previous reports, I noted that the IRS had inaccurate records with regard to the Iris Society of Dallas. This is simply an issue that keeps recurring and we continue to try and get it straightened out.

The Jackson (Tennessee) Area Iris Society is in the process of joining in our Group Exemption.

Last year, I informed President Gary White that this would be last year as general counsel for the AIS. However, I changed my mind and will stay on for another year, through July 1, 2018.
